Do You Know What Happened  
To The Girl Who Wore  
Cotton Stockings?

Nothing!

And that is exactly what happens to a lawyer who wears a long face because business isn't on a silk stocking level.

Just who are the lawyers who are getting ahead in their practice?

They have a good working library kept up to date by Shepard's Citations.

Some other lawyer isn't going to get ahead of them by pulling a surprise out of the bag.

No Sir! They chart their course and check the history and interpretation of each case and statute with the appropriate Shepard publication. No guesswork for them!
